

CAREER DAY SUGGESTED QUESTIONS FOR STUDENTS

During the Career Day visits, it is important to ask questions. The following sample questions may help get you started.

- 1. How did you get started in this business/area?**
- 2. What level of education is required for this career? Other skills required?**
- 3. What is the typical entry-level position in this career?**
- 4. Starting salary?**
- 5. What opportunities for advancement are there?**
- 6. What are some related jobs?**
- 7. What is a “typical day” like in this career?**
- 8. What are the most rewarding aspects of this career?**
- 9. What are the most challenging aspects of this career?**
- 10. Do you work mostly alone or with a team?**
- 11. What high school subjects should I focus on? What college major is best?**
- 12. Any there any summer opportunities for high school students available?**
