The Responsibility of your counselor in preparing the “Secondary School Report” for colleges is to provide a summary of your academic and extra-curricular achievement. A counselor also presents some sense of your promise for further personal and intellectual growth. Conveying your “unique” qualities is not an easy task. Therefore, we would appreciate an honest estimation of yourself, what you have done and what you have left to do. Please take this time to think about whom you are and where you are headed. Do NOT limit your discussion only to what has happened in school; include experiences drawn from any part of your life.

By signing, I am requesting that my counselor submit a recommendation to the colleges I choose. _____
