Artists in Residency

Each year at Vail Farm every grade level has the opportunity to work with a special guest artist through the **support of the PTA** and Arts in Education. The artist takes up residency at Vail Farm for a week and exposes the children to various forms of art including music, dance, song, acting, poetry, and art. All students in a grade level work together collaboratively with their artist and each experience will end with a culminating performance for families.

Student Council News

Thank you to all the families who donated to the Warm For The Winter Hat and Gloves Drive. We collected 58 items that high school senior Brian Will delivered to Dutchess Outreach.

Our February Spirit Days were tons of fun! Thank you to all who wore red in support of The American Heart Association, crazy socks, shirts we could read, and pajamas!

During the month of March, Student Council will support "Cram The Classroom". This is an Arlington "All In" food drive to help restock the shelves of Dutchess Outreach. Different items will be collected each week. Please consider donating.

Student Council is preparing for their annual blood drive. It will be held on Monday, April 1st from 3:00-7:30 in the Vail Farm cafeteria. Please consider donating and helping us meet our goal of collecting 50 pints.

As always, Student Council thanks everyone for supporting our activities! **TOGETHER, WE CAN MAKE A DIFERENCE!**
