Please consider including AEF in your charitable giving. Your support allows AEF to further invest in Arlington’s educational excellence by providing funding for both the staff and the students who make Arlington a special place.

Thank you to everyone who enrolled last year. As a result, an additional $1,000 was raised in support of AEF’s programs in our schools. We truly value your contribution and confidence in our efforts.

**AEF Funding Examples**

**Classroom Interactive Projection Systems**
“Allowing staff & students to interact with content differently”
~ Steve Hertzog, AHS Science Teacher

**STEAM Labs**
“A space where students can experience integrative learning in science, technology, engineering, arts, and mathematics. The labs also allow for teacher-created learning experiences that support the elementary science curriculum and also extend student creativity and critical thinking”
~ Julie Shook, ASM 2nd Grade Teacher

**District Science Room**
“A unique cross-age experience that connects high school students with elementary students to provide hands-on, collaborative science learning”
~ Caroline Ferrieri, BES 1st Grade Teacher

**Augmented Reality Sandbox**
“An amazing 3D interactive, dynamic educational tool that helps students understand mapping, topography, geography, natural hazards, and more”
~ Dawn Galente, Dir. of Math, Science & Engineering

For further information, check out our website: www.arlingtonschools.org/aefny

**Easy Payroll Deduction**

I want to contribute the following amount through ACSD payroll deduction:

Option 1) ______$5     ______$2    ______$1 every pay period OR
Option 2) A total amount of _______

Open Enrollment: Maximum # of pay periods from October 2020-May 2021 is 15 for either option. If this form is submitted after October 1, 2020, deductions will be taken out following the receipt of your deduction form.
