

Give the Gift of Education!

Thank a Teacher or Staff Member

Looking for a perfect way to say thank you this holiday season to a special teacher, TA, principal, bus driver, custodian, secretary, counselor, coach or other supportive Arlington Central School District staff member? Maybe you want to recognize your child's middle school 'team' or school building? Why not honor these special and talented individuals by making a **tax-deductible donation** in their name to the **Arlington Education Foundation?**

This is a wonderful way to show your appreciation. The feedback from teachers and staff is overwhelmingly positive! Recipients of this 'gift' have shared with us just how honored they feel.

Note: All honorees will receive a letter informing them that you made a contribution in their name. Also, all honorees will be recognized on the Foundation's new website: www.arlingtonschools.org/aefny

How Will the Foundation Use Your Donation?

Foundation donations are used to fund K-5 STEAM Labs (Science, Technology, Engineering, the Arts & Mathematics), to purchase materials for the District Science room and to support AEF's Scholarship program for graduating Arlington High School seniors.

Simply follow the on-line instructions or send your completed form (reverse) to:

**Arlington Education Foundation
144 Todd Hill Road
Lagrangeville, NY 12540**

Forms are accepted year-round. If you wish to honor someone this holiday, please ensure your form is returned by **December 21, 2020.**
