

What Every Freshman Should Know

There is no such thing as FRESHMAN FRIDAY

Know where your guidance office is. Your guidance counselor is easy to talk to and there to help you in whatever you need. They will be with you for the next 4 years.

Join CLUBS! It's a great way to meet friends with similar interests.

Look at the signs on the bathrooms, the boys' bathrooms are not always blue and the girls' aren't always pink.

Be true to yourself! Believe in what you can do, and walk away from conflict.

Make sure you charge your Chromebook each day. This will prevent you from running out of battery during your classes. Remember you will have the same one all four years

Don't be afraid to ask for help, your teachers are here for you and want to help you be the best you can be.

Use your planner; it will be handed out the first week of school. It will help you stay organized, and on top of the projects you owe.

Know your bus route number and the stall it parks in daily. It will come in very handy if the buses are out of order. Always remember the late bus route is a little longer but will get you home safely

FRESHMAN cannot leave school grounds.

Freshman year is a new start, so decide who you want to be from day 1.

Always have a spare set of Gym shorts in your locker, this will help you to always be prepared.

Be involved in AHS, attend as many events as you can, Marching Band, Drama, sports and lots of fun clubs.

Take advantage of the Math lab it is super helpful and often underused.

FRESHMAN YEAR COUNTS make it a good one!

Believe in yourself you can do it
