

September 6, 2013

Dear Members and Friends of the ACSD Special Education PTA,

ACSD SEPTA takes **Going Green** to a whole new level. We hope you will join us in support of this **GREEN** initiative which can help raise funds for Special Education programs and events in the Arlington Central School District.

ACSD SEPTA is participating in the **FundingFactory Recycling Program!** This fundraiser is FREE and simple because there's nothing to sell, no paperwork to fill out and no deadline. The program can run year-round, accumulating constant income for our efforts. But we won't get very far without your support. Please donate your **empty printer cartridges, cell phones, small electronics (ipods/MP3, digital cameras, GPS) and even laptops** to ACSD SEPTA and we'll take it from there! We will recycle the cartridges, cell phones, and small electronics through FundingFactory to support ACSD SEPTA's programs.

Your help is vital to our fundraising success. Cartridges, cell phones, small electronics and laptops can be dropped off at any ACSD SEPTA monthly meeting. A collection box will be available. You can find our fundraiser on the web at: www.FundingFactory.com/goal/acsdsepta. There you will find our goal and can track our progress.

We hope you will support us with this fundraiser. **Please reach out to family members, friends, and don't forget to ask your employers and the many businesses you patronize.** Arrangements can be made for the businesses to support our organization through recycling these items for **FREE**. If you have any questions about this great opportunity, please feel free to e-mail acsdsepta@gmail.com or contact Roseann Weiss/Fundraising at 223-3321.

Thank you for your support!
