**Homeless Primary Nighttime Residence:** Code that indicates where students identified as homeless in the Homeless Indicator field have their primary nighttime residence (PNR). The LEA's homeless liaison determines the PNR at the time the student is identified as homeless. The USED realizes that a homeless family or youth may be mobile during their homelessness. Location Grade Level: Grade level of students to which the "Day Type" for a particular date in the day calendar pertains.

Marking Period Code: Code from the Marking Period Number Table in Chapter 5: Codes and Descriptions that represents the marking period within the school year, semester, or summer school session for which a grade is being reported. Indicator 12 for preschool children referred from Early Intervention: For a child found eligible for preschool special education, the Number of Days is the number of calendar days past the child's third birthday when the IEP is implemented. The first day past the child's third birthday is "day 1." If the IEP is not implemented by August 31, 2014, the Number of Days is the number of calendar days that August 31, 2014 is past the child's third birthday. For a child who is determined to be not eligible for preschool special education, the Number of Days is the number of calendar days past the child's third birthday when the CPSE meeting to determine eligibility was held. For a child whose eligibility is undetermined as of August 31, 2014, the Number of Days is the number of calendar days that August 31, 2014 is past the child's third birthday.
