## The Design Lab –

### A Crash Course in Engineering

Mrs. Kimberly Trahan and Ms. Ali Melious

Engineers will come together to think critically about specific problems, work as a team to create solutions and modify as needed using basic engineering principles including (but not limited to), floating, gravity, weight, mass, and design. Students should bring recyclables (boxes, plastic bottles, etc.) This course is designed to offer challenging engineering concepts, taking natural curiosity and applying it to STEM (Science Technology Math & Engineering) by having kids take on the role of an engineer for the week. Participating students will learn how the world works by exploring the STEM fields with a focus on engineering, through fun, hands on building activities and projects. Imagination and intrigue are the only prerequisites for this course. Bring a pencil case with crayons, markers, pencils. All other materials included in course fee.

## Whales, Weather, and Water, Oh My!

Kristy Zukswert

Grades 6-8

Have a love of oceans, lakes, rivers, and anything aquatic!? Want to study whales and other magnificent underwater creatures!? Wish you could make a difference here or elsewhere in the world? Join us as we jump into a week of; exploring the use and impact of water around the world, its biggest aquatic animals, our own local waterways; and brainstorm as citizen scientists to help solve some of our world's worst water problems!

Students should wear closed toed shoes. Students should bring a journal, writing utensils, snack and water bottle.

**\$115 ♦ Course #SK 16 ♦ M - F ♦ 6/26 – 6/30**

## Mythbusters Junior! Grades 1-5

Mary Tetreault

Have you ever wondered...Can fire really burn under water? Does sugar really damage your teeth? Is the sky really blue? Can you take a picture without a camera? Can you really pull a table cloth off a table without breaking the plates? Come to Mythbusters Junior and find out! In this class, we will explore common myths, predict outcomes, and perform experiments to sort myth from fact.

Students should bring their Chromebook, a water bottle, healthy snack. Students should wear comfortable clothing

**\$98 ♦ Course #SK 58 ♦ M – TH ♦ 7/24 – 27**

Science is fun. Science is curiosity.  
We all have natural curiosity.  
Science is a process of investigating.  
It's posing questions and coming up  
with a method. It's delving in.

*"If we knew what it was we were  
doing, it would not be called  
research, would it?"*

*Albert Einstein*

## Wetlands Exploration Grades 4 - 7

*Meet the Endangered Turtles of Arlington HS!*

Mrs. Maribel Mueller

Children will get to explore the wetland of Arlington High School, participate in water testing, survey the plants and wildlife present and learn about the endangered Blandings Turtles that call Arlington home! We will be in and out of the classroom. Be sure to bring bug spray, sunscreen, a hat, long socks and sneakers.

**\$115 ♦ Course #SK 18 ♦ M - F ♦ 6/26 – 6/30**

## Ready - Set - React!!! -

## Chemistry in Action Grades 6-8

Ms. Kristy Zukswert

Forensics meets chemistry, meets biology! Ready for a week of experimentation and explosions!? Over these three action-packed days we'll look at medical case studies to save lives, design and experiment to make the slimiest concoctions, solve mysteries, and see how fish, fireworks, and the Northern Lights all are connected! With each fun filled day we'll not only build laboratory skills but also bring home an epic science project to share!

Students should bring a journal, writing utensils, two empty plastic water bottles and a snack.

Closed toed shoes and bring a hair tie (for long, loose hair).

Please Note- due to the holiday, class will be 3 days with extended times.

**\$98 ♦ Course #SK 25 ♦ W - F ♦ 9am-1pm ♦ 7/5 -7/7**

## **Mad Science Training Academy** Grades 1-5

Mrs. Stephanie Marden

Calling all Scientists! Students will perform experiments and even make slime! Experiments will be conducted in a classroom and outside as well.

Be prepared to get messy!

Students should wear old clothes and sneakers (will get messy). Students should bring a water bottle and snack.

**\$98 ♦ Course #SK 46 ♦ M - TH ♦ 7/17 - 7/20**

## **Ecosystem Exploration** Grades 5-8

Mrs. Amie Worley

### **Is this the New Marvel Movie?!**

How did comic strips use science and animals in the natural world to understand how to make Spiderman climb walls and spin webs? How 'bout the Incredible Hulk? What's myth and what's the history... We'll check out geckos, spiders, and so many other phenomenal moving things!

**\$98 ♦ Course #SK 26 ♦ W - F ♦ 9am-1pm ♦ 7/5 - 7/7**

### **How Did You Survive That?**

Do some frogs really have antifreeze in their blood?

How do desert cats survive dehydration?

How do turtles breathe under water for the winter?

And some other ecosystem mysteries!

I have some for you. Do you have some you want to research together?

**\$98 ♦ Course #SK 310 ♦ M - TH ♦ 7/10-7/13**

### **The "Bee's Knees"!**

We'll look closely at the anatomy of insects. We'll look at bugs that crawl, fly and swim with real insect samples!

We'll mainly search outside and use magnifiers to take a zoom in look!

**\$98 ♦ Course #SK 47 ♦ M - TH ♦ 7/17 - 7/20**

### **It's a Bird, It's a Plane...**

Let's look at how things fly – we'll look to the natural world – bats, flying squirrels, birds, insects.

Do penguins fly? How about Turkeys?

We'll also look at plant and animal adaptations and human bioengineering – in other words, how do we humans use what we learn from living things, to help ourselves move in ways our bodies can't do on their own?

**\$98 ♦ Course #SK 59 ♦ M - TH ♦ 7/24 - 7/27**

## **S.T.E.A.M.** Grades 6-8

Mrs. Rebecca Paul Smith

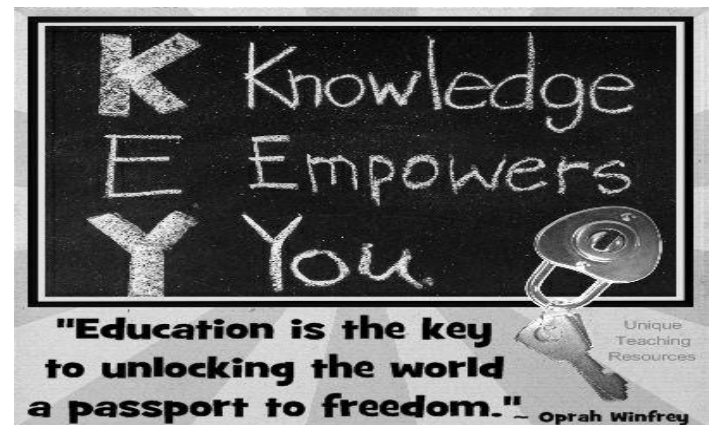

Enjoy the week with hands on activities exploring Science, Technology, Engineering, Arts and Math.

Engage in activities such as Lego wars, candy making and building competitions, and much, much more!

Students should raid the recyclable bin for such items as cups and empty (clean) plastic containers, paper towel and toilet paper rolls, cardboard boxes... and be willing to get dirty and have fun!

Students should wear comfortable clothing and shoes and bring a snack and water bottle.

**\$115 ♦ Course #SK 311 ♦ M - F ♦ 7/10-7/14**

## **Ooey Goopy Science FUN!** Grades 2-4

Mrs. Lauren Weyant

Want to make OOBLEK or FLUBBER? What a fun way for your future scientist to create a messy concoction without the mess at home. FUN... FUN... FUN!!!

Students should bring a folder for all the fun recipe copies, extra clothes (just in case we have too much fun) sneakers, a snack and water bottle, sunscreen applied at home.

**\$115 ♦ Course #SK 64 ♦ M - F ♦ 7/31 - 8/4**

## **Budding Biologists Week!** Grades 3-5

Mrs. Tricia Muraco

Spend the week learning about Biology! Wetlands exploration, Microscope Mania! Human Body Systems, The Chemistry of Life. If you love Biology you have to take Budding Biologists! Students should wear long socks and sneakers and bring water and a snack.

**\$98 ♦ Course #SK 316 ♦ M - TH ♦ 7/10 - 7/13**

**\$98 ♦ Course #SK 411 ♦ M - TH ♦ 7/17 - 7/20**

**\$98 ♦ Course #SK 510 ♦ M - TH ♦ 7/24 - 7/27**

# MOVE!

*These are NOT your average PE classes! Students will explore various movement activities including (but not limited to) sports, games, fitness, dance, etc. Emphasis will be placed on inclusive participation, health and fun! Classes will be held inside and out and activities will be age appropriate. Wear clothes you can move in and sneakers. Bring sunscreen, bug spray (for outdoor activities) and plenty of water.*

## Horseback Riding

Grades K - 5

For those students who have little or no experience, lessons given will focus on balance and basic mechanics of riding. Student will also be given basic instruction on the skill of horsemanship

and horse care including how to groom, tack up and take basic care of their horses. Participants should wear heeled boots and long pants. Riding helmets are provided by the instructor. (if you do not have a bike helmet). Learn to ride and have fun. All classes will be held at Pond View Farm, 40 Perkins Ln, LaGrangeville, NY. Students should bring a snack and plenty of water.
