# A Message From Ms. Todd

A few reminders for the last few months of school:

- Students must wear attire that is appropriate for the school setting.

This includes:

- Tops that fully cover the torso (no crop tops or low cut tops) and conceal undergarments
- Shorts that fully cover the buttocks area
- Sandals with straps (this is for safety since all students go outside for recess)

If a student comes to school with a top or bottom that is not appropriate for the school setting, they will be asked to change or cover up. While we are aware that today's clothing styles can be a challenge in these areas, we ask that you please help us in ensuring that our students follow the dress code (pg. 27~ X. Student Dress Code) for ASM and Arlington.

## Important Reminders:

- Eat breakfast! Encouraging your child to have a healthy breakfast daily can help with how they perform in school during the day. Breakfast equals brain power!
- Get sleep! Sleep is increasingly recognized as a component of good health. Children who don't get enough sleep are at an increased risk for obesity and type 2 diabetes. For kids, a healthy sleeping habit is preferable. They need to get the right amount of sleep to stay focused with their classes throughout the day.
- Stay hydrated! When it comes to your child staying healthy, hydration needs to be a big part. When children are dehydrated, it can lead to headaches, lightheadedness, sleepiness and poor learning. Students should bring a reusable water bottle to school every day. The school does not provide water bottles.
- As it gets warmer please make sure your student is leaving the house dressed **appropriately** for the weather **and** school.

# A Message From Nurse Carrigan

## **DO NOT SEND YOUR STUDENT TO SCHOOL WITH MEDICATION!**

There have been numerous students sent to school with various medications. This is extremely unsafe. There is a process that must be followed. Please contact the Health Office if your student needs prescribed or over-the-counter medication at school.

Please be sure students bring a refillable water bottle to school. It is vital that everyone stays hydrated throughout the day. The school does not provide water bottles, but there are refill stations.

## **Please send your student to school with a water bottle!**

District policy is as follows: ALL STUDENTS MUST BE 24 HOURS FREE FROM FEVER, VOMITING, AND/OR DIARRHEA WITHOUT MEDICATIONS BEFORE RETURNING TO SCHOOL!

**Please note that the Health Office is unable to act as an Urgent Care. Therefore, you should not send a symptomatic student to school or sent to be assessed by the nurse.**
