

WELCOME TO FIRST GRADE

Hi First Graders!

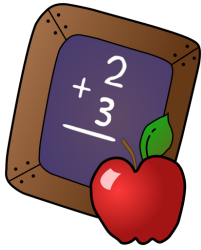

Hi first grade Gators! Welcome to Room 106! My name is Ms. O'Connell. I am so excited to be your first grade teacher. We are going to have an amazing year together, filled with fun, love, and don't forget... learning!

This coming school year we will grow as a class family. The moment you walk through our door, you are a reader, writer, mathematician, scientist, historian, artist, and explorer. In our class, there is no such thing as, "can't." We are going to make so many special memories. I promise to make learning as magical as possible. And I sure do have some big plans! My favorite activities are STEAM activities. I also love to learn and teach languages like Spanish and American Sign Language.

I encourage you to continue reading, writing, and practicing math over the summer. And don't forget to have fun!

Enjoy the rest of summer, and I look forward to meeting you in September!

All of my love,
Ms. O'Connell
