

♥ Welcome to Kindergarten

Dear Kindergarten Families!

My name is Laura Oliver and I will be your child's kindergarten teacher this year! I hope your child is excited about beginning the school year. All of the anxieties about the "newness" will soon disappear, and we will be having a wonderful time as we start learning our routines and making friends to learn and grow with throughout the year.

Here are a few helpful hints to help ensure that your child is prepared for school each day:

- We will have time for daily snack. Please pack **one** quick and healthy treat, in addition to lunch. **Please place this into their backpack and not their lunch box! Only water is permitted in the classroom.**
- Please have your child bring lunch on the first few days of school. With our new lunch routines, we want to ensure that your child has time to eat lunch.
- Make sure your child has an appropriate sized backpack (large enough to fit a folder) to carry their things. Please no messenger bags or backpacks with wheels.
- Please send your child in with a folder labeled with your child's name. This folder will travel back and forth each day.
- I'm looking forward to meeting you and working together to help your child have a happy and successful kindergarten year!

Sincerely,
Mrs. Oliver

Mrs. Oliver's Supply List

Dear Families,

Here are the supplies your child will need for kindergarten this year. If you have a difficult time finding these or are unable to purchase supplies, please let me know and we will be sure to help! I have listed supplies on the bottom that are optional. If you are able to donate any supplies to the class, it is greatly appreciated but not required! We use supplies as a community so please **do not** label the glue, but do please label the headphones!

If you would like to bring these supplies into school for our back to school night so that your child doesn't need to carry them into school that is fine!

Thank you,
Mrs. Oliver

Lista de suministros de la Sra. Oliver

Queridas familias,

Estos son los útiles que su hijo necesitará para el jardín de infantes este año. Si tiene dificultades para encontrarlos o no puede comprar suministros, ¡hágame saber y nos aseguraremos de ayudarlo! He enumerado suministros en la parte inferior que son opcionales. Si puede donar algún material para la clase, ¡es muy apreciado pero no obligatorio! Usamos suministros como comunidad, así que no etiquetes el pegamento, ¡pero sí los auriculares!

Si desea traer estos suministros a la escuela para nuestra noche de regreso a la escuela para que su hijo no necesite llevarlos a la escuela, ¡está bien!
