NOXON FAMILY TRIVIA NIGHT TONIGHT 6pm on FB LIVE & Google Meets (see info. below!)

Dear Noxon Road Families,

Thank you for your continued collaboration, support and attention to online teaching/learning. As we complete another week, I hope you are continuing to find your child engaged, motivated and connected as much as possible to his/her class and our school. Staff has been working diligently in order to meet student learning needs and continues to find creative and innovative ways to enhance student engagement. Moving forward, please note the points below:

- More information will be coming soon from the District about our report card plans moving forward however, all students will receive a third trimester report card. The report card will not contain numerical grades (1-4), rather, teachers will utilize one of four comments (below) for each subject area (Literacy, Math, Art, Music, Physical Education & Library)

Student Fully Participated

Student Often Participated

Student Occasionally Participated

Student Did Not Participate

- If you are having technology needs or issues, please visit the [Parent Resources for Digital Learning](#) section of the District website for support. By clicking on the Digital Learning Resources tab, you will find the **Parent Technology Help Form** where you can provide information about any problems you are facing and a technician will respond promptly. **This is also where you can request a chromebook if needed.**
- Please join us for our SECOND Noxon FB Live & Google Meets Trivia Night **TONIGHT, Friday, May 1st at 6pm**. Our topic is Disney Movies! We will have 3 “levels”...the K-2 Level, the 3-5 level and the Staff vs. Parents Level! We will tally points and get one winner for each category! The reigning champs are CJ Rios, Michael McKeon, Mrs. Rousseau and Theresa Wechsler! You can join on our Noxon Road Elementary Office

Facebook Page (as it will be live) or by logging onto Google Meets, using your google browser, with the following link: <https://meet.google.com/xoz-mfbs-xgi>

- This is the time of year where we begin our class placement process for our 2020-2021 school year. The District does not accept parent requests indicating a specific teacher, however, if you have feedback regarding your child as a learner, that you would like us to consider during our placement process, please reach out to me at KMurray@acsdny.org.
- We will continue to follow the schedule below for our YOUTUBE [Morning Announcements](#). If your child would like to lead the online school in the Noxon Pledge and/or if you/your child has something to share, please send me a video clip or email and I will find a way to include it!
Monday: Make it Monday (featuring an easy to make craft or recipe)
Tuesday: Tell and Show Tuesday (featuring a member of our school community with something to share!)
Wednesday: Wacky Wednesday (look out...the possibilities are endless!)
Thursday: Thankful Thursday (honoring someone from our community that we are grateful for)
Friday: Field Trip Friday (rev up those virtual buses because we're headed on a trip!)
- We will be completing our Kindergarten Registration process shortly. Look for more information coming soon to those specific families with incoming kindergarten students.

In closing, I'd like to again thank you for all that you are doing during this challenging time. We hope you can join us tonight for Facebook LIVE Trivia Night to kick back, relax and...oh, wait...if it's anything like our last Trivia Night there will be fierce competition, trash-talking (via typing) and "healthy" bantor! It might not be relaxing but it surely will be filled with laughs and fun!

Warmly,
Dr. Murray

A LOOK AHEAD at upcoming Youtube Morning Announcements! What can YOU (or your family) Add? Email Dr. Murray at KMurray@acsdny.org !

- Miss Cabrera will be showing off her dance moves to Thriller!
- Mrs. LaColla will show that old dogs can do new tricks!
- Mrs. Spuhler will be "whipping up" some good food!
- Some of our students will entertain us with a professional concert, right in their own living room!

- We will celebrate the Hawaiian tradition of May Day (May 1) and “travel” to the island of Kauai & we will continue our work on The Habits of Healthy Kids by Sean Covey.
