

Where in the World is **Humphrey**?

Humphrey LOVES adventure!

1. Color the picture of Humphrey above and cut him out.
2. Bring Humphrey along with you when you visit a special place outside your home or school.
3. Snap a **photo** of you and Humphrey!
4. Attach the photo to a paper (construction paper) and write a brief description of the place you visited. (**Hint:** double-sided tape works best to attach the photo!)

Pictures due April 17th!

Look for all the places Humphrey visits displayed around the school!
