### Emergency Dismissal: What's your plan?

As we enter into the winter season please make sure your family is aware of early dismissal procedures in the event school should let out early due to inclement weather.

- At Curriculum Night, you filled out an Emergency Early Dismissal Plan indicating what should occur with your child in the event of an early dismissal.
- **We will adhere to your instructions stated on the Emergency Early Dismissal Plan and will not accept any last minute changes to this protocol.**
- I strongly urge you, if at all possible, to have your child transported by the bus, which we deem to be the safest mode of transportation in the event of inclement weather. Please take a moment to review your plan with your child.

If you do not remember filling out an Emergency Dismissal Plan for the 2019-2020 school year, there is another form attached [here](#). Fill out and return to your child's classroom teacher.

Please call the main office with questions - 223-8030.
