District Passport

How It Works:

- Each month, we will send home a list of "Passport Events" for the next month.
- Parents will also receive reminders through SchoolMessenger. Passport Events will be listed on the District and school websites.
- Whenever students attend a Passport Event, they will receive one stamp in their passport. Look for the table with the Arlington Explorer Passport sign.
- For every three stamps, students will receive a prize.
- If students forget to bring the passport to a Passport Event, they can still get a stamp to tape into the passport.
- Students will not receive a stamp for attending events at their own elementary school. Passports will only be stamped at Passport Events.
- If students lose their passport, they may receive a new one. However, students will not receive any credit for stamps that they received on the lost passport.

There are so many wonderful and different events throughout the year. We hope everyone participates in as many events as possible.
