Phone 845-486-4460

From Dr. Dave Moyer

October 12, 2023

Dear Arlington Community,

I am writing to inform you that tonight the Northport-East Northport Union Free School District approved me to be its next superintendent, effective January 1, 2024.

Together we accomplished a great deal in a short period of time. That is thanks to your collective commitment to our children, our community, and our school district. As I write this letter, I am reflecting on the many examples that demonstrate the strength of this community and its commitment to our children and high quality public schools:

All of the great work of our administrators, teachers and staff to address the learning and social emotional needs of our children during these trying times.

- The commitment of the Arlington Connect Facilitating Team to engage the community in establishing priorities for the future of the District.
- The passion of the Portrait of a Graduate Steering Committee, who engaged in high level dialogue to develop a framework to ensure that all of our children can succeed after graduation.
- The time our school PTSAs and parent groups commit to our schools and our students
- The relentless dedication of the Arlington Education Foundation.
- Our partnerships with community organizations such as local service clubs and the Dutchess County Chamber of Commerce.

These are just some of the wonderful examples of the Arlington community's dedication to our students and our schools.

Thank you to the Board of Education, which gave me the opportunity to serve this community. I will always be thankful for the opportunity to have served as the superintendent of the Arlington Central School District.

Sincerely,

Dr. Dave Moyer
Superintendent of Schools

From the Arlington Board of Education

Dear Arlington Faculty, Staff, and Families,

As you are now aware, Dr. Moyer has accepted a new opportunity and will be leaving Arlington by year's end. The Board of Education would like to thank Dr. Moyer for his leadership over the past two and a half years.

Dr. Moyer assumed the role of Arlington Superintendent during the turbulence of the COVID19 pandemic. He promoted student-centered, equity-focused, and future-driven learning experiences for all Arlington students

while steering us through the challenges of returning to full-time, in-person instruction. We wish Dr. Moyer continued success at Northport-East Northport Union Free School District.

In the short-term, the Board will be looking to appoint an interim superintendent to guide us through the remainder of the 2023/2024 school year. At our next meeting on October 24th, we will name an ad hoc Board subcommittee to begin a comprehensive search to find our next permanent superintendent. Community and staff input on the qualities we seek in our next Superintendent will be essential to the search process. We will keep you informed of our progress and opportunities for your participation.

The Board of Education remains committed to providing rigorous, relevant educational experiences that prepare our students for future success. Over the next three months we will work closely with Dr. Moyer to ensure a smooth leadership transition and continued fidelity to our [District's mission and goals](#).

Arlington is a strong community with a long tradition of supporting excellence. In this spirit, the Board will continue its work to foster excellent schools where our students can learn, grow and thrive.

Sincerely,

Mary Anne Meaden
President, Arlington Board of Education
