June 14- 3rd Grade -Math Night! Exploring the third grade Math program.

Fifth Grade Moving Up Ceremony

The Fifth Grade students will have their Moving-Up Ceremony at 9:30 am on **Wednesday, June 21st** on the front lawn of West Road School. We ask that parents and family members kindly bring their own chairs. In case of rain, we will hold the ceremony at 9:30 am in the Arlington High School auditorium. The decision to change location will be made by 7AM and be sent via school Messenger and be posted on the school's website.

Grade 5 students will be treated to an Ice Cream Social the afternoon of June 15th and have an opportunity to have friends sign their yearbooks during this time. The P.V. PTA generously sponsors all of our Fifth Grade Moving-Up activities

Traver/West Cultural Night

Thank you to everyone who came out to help us celebrate our Traver/West Cultural Night! It was so nice to see so many of our students and staff share food, information and other items that represent their cultures!

Pleasant Valley Field Day

We will be holding our 2nd annual combined Traver/West Field Day on **Friday, June 2nd!** (Rain Date - Friday, June 9th) There will be some combined Traver and West stations too, so assigned shirt colors are important. The day will run from 9:00 – 12:00. Students should bring a bagged lunch. Lunch can also be pre-ordered through the cafeteria in advance. Please make sure your student is wearing appropriate shoes. Loose footwear and Crocs are not ideal and may pose a safety hazard. Please see the flier that went home in May for details.

Health Office

Medications: As the school year comes to an end, this is a reminder that your child's medication must be picked up by an adult. Mrs. Cardella will reach out to families as a reminder closer to the end of the school year. The last day of school is June 22rd and this will be a half day.

Sunscreen: As students begin spending more time outside during the school day please consider applying sunscreen on your child before they come to school in the morning. If you would like your student to carry sunscreen with them to self- apply during the day please contact the health office as New York State requires a Permission Form to be completed by the parent allowing your student to carry and apply the sunscreen.

Technology Updates

A reminder that students in grades 2-11 will be keeping their Chromebooks over the summer. Please inspect your child's Chromebook for damage and report any issues via the Parent Technology Help Desk via techhelp@acsdny.org by Friday, June 23. The Technology Department will then reach out to schedule a time for you or your child to drop off the Chromebook to get it repaired during the summer. This will help to prevent a backlog when the school year begins in September.

Students are strongly encouraged to routinely charge their Chromebook throughout the summer to prevent the battery from degrading.

Lost and Found

Please have your child check the lost and found. We are overflowing with sweatshirts, shirts and water bottles on our lost and found table. We also have several pairs of glasses and some jewelry items in the main office. Items will be donated at the end of the school year.

Cell phones are not to be used during the school day. They should be **turned off and stored in book bags** during the day. ***This also includes watches which have texting ability.*** Please remind your students that if they have these items they need to be **turned off and in their backpacks while on the bus and in school.**

Chrome books should be brought to school fully charged each day. Please also remind students that ***stickers of any kind*** do not belong on Chromebooks. It makes it difficult to redistribute them after being repaired.

Kiss and Go pick up in the afternoon begins at 3:15. It is important that students are picked up on time as we do not always have supervision after 3:30.

Please remember, the circular driveway in front of the school is **CLOSED** to car traffic during the hours of **8:15 a.m - 9:00 a.m AND 2:30 p.m - 3:30 p.m.** This is for the safety of students and staff during our school day as we prepare for arrival and dismissal

Pleasant Valley PTA

PTA is hosting a Spring Fling on **June 9 from 6 to 8 p.m.** @ West Road. Come and dance and play and toast the end of the school year. The theme is Making Waves. All Traver and West Road students and their families are welcome!

PVPTA is holding a Volunteer Appreciation Event at Jason Patrick's on 44 on **June 14 at 5 p.m.** We will toast a great year and elect next year's officers and pass our next budget. Please RSVP <https://forms.gle/k1G3vUtnNeBZEHqy9>

Transportation Reminder

In order to arrange bus transportation to or from a childcare provider, you must complete a Childcare Transportation Request Form (available on the website). This form must be received by **April 1** for transportation to a commercial daycare center outside of our attendance zone, and by **August 15** for an in-home childcare provider. We will only provide transportation to in-home childcare providers that reside within your schools' attendance zone. The form **must be completed** in order for your child to be transported to or from a location other than your home address.
