

# ***Welcome Our New Staff to Noxon Rd Elementary School***

# Rebecca Forman: 4th Grade ICT

Hi everyone!

I am originally from Beacon but currently live in Newburgh. I have been fortunate enough to have worked in Arlington for the past two years at LaGrange Middle School as a leave replacement teacher.

I love plants, the outdoors, swimming and the beach, biking and too much Netflix. :)

I am very excited to be able to work at Noxon and to get to know this well respected staff!

# Julie Kimbark: 2nd Grade

Hi friends! My name is Julie Kimbark and I'm so excited to be back at Noxon, where I began my career in Arlington! I am beginning my fifth year of teaching. Previously, I've taught PreK, Kindergarten, and 1st Grade. I graduated in 2018 with my Masters degree in Literacy from Mount Saint Mary College and I have my NYS certifications in Childhood Edu., Special Edu., Literacy, and Early Childhood Edu. I plan to return to MSMC in Fall 2020 to pursue my Doctorate degree. I love everything, but what I love the most is being with my big, Italian family, eating everything in sight, being in Disney World, and exploring this big, beautiful world (either in person or through the pages of a great book)!

# Jennifer Klementis: School Psychologist

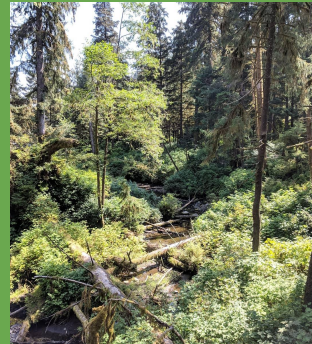

I reside in Woodstock, NY with my three children, husband, dog and cat. I love to take walks in the field next to my home and spend time with my kids.

YOU CAN'T STOP  
YOUR CHILDREN  
FROM GROWING UP,  
BUT YOU CAN  
**BE PRESENT**  
SO YOU DON'T MISS  
YOUR CHILDREN  
GROWING UP.

# Dan Longarino: 3rd Grade

Hi everyone! I can't put into words how thrilled I am to be at Noxon Road Elementary. I have already received such warm welcomes from many of you and I can't wait to become part of your family. It's been a wild year for me! After teaching in the Bronx, NY for two years, I've been searching tirelessly to find the perfect place to relocate and I believe I found it in Dutchess County. Within the past month, I've gotten married, honeymooned to Alaska, became a Speedy Turtle and moved to Wappingers Falls. Teaching is my passion and I can't wait to give everything I can to this wonderful community.

# Katie McKeon: K-2 Special Class

Hi everyone!

I've been part of Noxon since 2015 when my oldest son started Kindergarten. I'm excited to be here now as a teacher. I started my career as a 5th grade teacher from 2008-2015. I then spent two years as a SEIT and I'm now starting my third year in the district as a special education teacher.

I'm a mom to two boys, Michael and Sean, who love coming to school here. When I'm not watching them participate in their different activities, I enjoy being outside with my dog, gardening, going for walks, and just enjoying time with my family. I'm looking forward to working with you all!

# Katrina O'Malley: AIS Reading

Hi Everyone!

I'm very excited to be a part of the Noxon family! While I'm new to the district, I have been teaching for 8 years. I previously taught in Dover for one year and prior to that in the Bronx, for 7 years. My husband and I recently bought a house in Poughquag, which is where I was born and raised. I'm more than thrilled to raise my kids in this beautiful area! I spend my free time chasing them around and trying to figure out this whole home ownership thing! I look forward to contributing to this already awesome school community!
