Cooking for Kids

Anya Tomaseski Grades 5-8

Cooking for Kids is a class that will teach your children how to create their own snacks and meals for before or after school and even a few dinner recipes that you can make together. Cooking encourages children's thinking, problem-solving, and creativity. It also allows children the opportunity to use the knowledge they have and apply it by counting, measuring, following a sequence, following directions, and cause and effect. Throughout this class, your children will build their culinary skills, self-confidence and independence. In addition, they will also design their very own cookbook. It will be designed by them and full of easy to make recipes! Cookbook and all ingredients included in class fee. Students should bring a water bottle, extra hair-ties (to pull hair back as needed), pencil/pen to edit their cookbooks. Students should wear closed-toe shoes (sneakers), no loose clothing- they should wear clothes they are comfortable in but don't mind getting dirty, long hair needs to be tied back and should bring a full-length apron. Please make sure to let us know if your child has any dietary restrictions prior to signing up so recipes can be adjusted accordingly. Get ready to get cookin'! **M-TH• 9-12pm**

Soccer

David Brickman Grades 4-8 Coed

Stay active this summer by playing some soccer! Come out to soccer camp to play small-scale games and activities with a mix of ages. This camp will consist of casual games for those who are not all about competition and just like to have fun on the field! We will organize scrimmages and mini-games to keep kids moving and developing their ball skills! Practice passing, dribbling, accuracy, communication, and sportsmanship this summer and spend some time running around outside! Cleats are recommended, but not required and we will **not** be playing full field games most of the time. Whether you already have a love for the game or do not have much experience with soccer, this camp is welcoming to all skill levels and encourages kids to just get out there and play! **M-TH ♦ 9-12pm**

VOLUNTEERS NEEDED!

Arlington Summer Kids is back!!! If you are an Arlington High School student and need to earn Community Service Credits, and can provide your own transportation, this program will be a good opportunity for you. We are looking for student volunteers to assist teachers in a variety of courses. Classes range from Science, to Art, to Computers, to Music, to Sports, Fitness... A copy of the summer program is attached. You may recognize some of the summer teachers and may wish to work with them, or, you may decide to work in an area that you excel in, want to major in, or it's one of your favorite past times. All the same, you would probably be a perfect fit for any of these reasons. You may also view classes online: <https://arlingtonschools.revtrak.net>

If you are interested, kindly fill in the form below, have your parents sign the permission portion and return to my office (rm 2102) by **June 16**. As long as the class(es) that you are interested in run (sufficient enrollment), we will try to place you in those classes.
