

# Middle School Sports Update

## 9/8/20

To all Middle School Parents & Students,

Interscholastic Sports at the Middle School level are still being discussed by Section 1 leadership and its school districts. Family ID will remain closed to registration for middle school aged students until a final determination is made regarding programming. I apologize for the continuing changes and will try to keep everyone up to date as information is provided.

If you have any questions, feel free to contact me.

Mr. Misch  
Athletic Coordinator  
LaGrange Middle School
