

LMS Open House

Thursday, October 22, 2020 7pm-8:45pm

LaGrange Middle School's Open House will be in remote-only format this year. All parts of Open House will occur online through Google Classroom and Google Meet. Instead of physically walking the building following your child's schedule, parents/guardians will participate in **live** presentations hosted by classroom teachers. Each class will be 9 minutes with 3 minutes between each class.

In an effort to simplify this process for parents/guardians, teachers will be using the Google Meet feature built directly into Google Classroom. Parents will be logging in using their child's Google account and asked to log in to class meets, period by period, using the time schedule posted below.
