Student conduct is a direct reflection of the work of our school faculty and staff members. Therefore, positive behavior demonstrates a positive educational experience. All members of the school community are expected to engage in school-wide systems to promote positive behaviors, supports, and interventions. Each building will inform students and parents of the school rules regarding dress and prohibited student conduct at the beginning of the school year. Students may be subject to disciplinary action, up to and including suspension from school, when they engage in behavior that is: · Disorderly (i.e., running, misusing equipment) · Insubordinate (i.e., failure to comply with reasonable directions) · Violent (i.e., hurting others, possessing a weapon, threatening others) · Endangering the welfare of others (i.e., discrimination, harassment, intimidation, possession of alcohol or drugs) · Dangerous behavior on the school bus · Academic misconduct (i.e., plagiarism, cheating, forging notes) · Students will be required to wear their school photo identification badge. IDs will be worn on a lanyard around the neck or on a clip above the waist while on campus.*Please see the Student Handbook, Technology Acceptable Use Agreements, and Code of Conduct for a more complete list of prohibited behavior.

Dress Code:

The responsibility for student dress and general appearance rests with individual students and parents. However, the Board of Education requires students to attend school in appropriate dress that meets health and safety standards and does not interfere with the learning process. The Board also requires students to wear appropriate protective gear in certain classes and activities, such as family and consumer sciences, home and career skills, technology education, science labs, physical education, sports, and club activities. Teachers and all other district personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting. Examples of standards of dress include but are not limited to the following: 1.
