Junior Prom	Senior Prom Day 1	Senior Prom Day 2			

Arlington High School Students will take a variety of summative assessments at the end of this school year. Most half year courses will culminate with a final exam, administered during June 14-16. Any course that is earning Dutchess Community College credit will also take a final exam. Other full year courses that are weighted at a factor 9 or 10 may also be administering modified versions of traditional final exams. All other courses will take a benchmark exam that will be ungraded. The purpose of the benchmark exam is to help teachers identify areas in the curriculum that need to be addressed next year.
