

JUNIOR PROM ASSEMBLY

Mike Donahue

<https://value-up.org/>

The message of Walk a Mile is that everyone has value, and our mission is to raise the value of human life in schools across this nation. When Students understand their innate value and the innate value of others, they are more likely to thrive. Research has proven that they perform better academically and are more likely to engage in their learning process. The Walk a mile assembly program provides a huge boost to the morale of student and teachers and lays a strong foundation of respect and inclusion.

Speaker is for the **Senior** class.

Jonathan Mueller

Johnathan Mueller is an Arlington HS alumni who speaks to students around the country about his tragic car accident that changed his life forever. Jonathan is an inspiration to everyone and makes an impact on our Junior class each year.

Johnathan has students understand the importance of making good decision in life and how bad choices can impact not only you but others around you. His presentation focuses on who you are and who you want to be.

MEET THE SPEAKERS

Michael Fowlin

mykeefowlin.com

Mykee Fowlin has created a program that combines both his professional acting talents and his psychological training. His mission is to create an atmosphere of worldwide inclusion, not just tolerance, towards all people. He has worked extensively with all age groups in the United States and in other countries. His work has included peer mediation, diversity trainings, gender equity workshops, and violence prevention seminars.

Speaker is for the **Freshman** class

Craig Scott

<https://value-up.org/>

Craig Scott is a survivor of the Columbine High School shooting. He was in the most intense scene – the library where 10 students were killed. Craig watched as two friends were killed on both sides of him. Since then, Craig has dedicated his life to making a difference in schools sharing his and his sister’s story. Speaking on a number of issues, the biggest thing the shooting taught him was the value of human life. Because of his work and experiences, He was appointed to a Presidential panel on school safety and has been a consistent voice in the media after incidents of school violence.

Speaker is for the **Sophomore** class
