Dear Arlington Community,

It is with mixed emotion that I inform you of my recent appointment as the next Superintendent of Schools for the Spackenkill Union Free School District. This position does not begin until July 1, 2020 and I will remain as Executive Principal at Arlington High School until that time. While I look forward to this next step, I will miss working with the Arlington community.

Reaching the decision to leave Arlington to pursue my professional goals has been a bittersweet journey. I owe a tremendous amount of my professional growth to working with everyone at Arlington High School as well as the entire Arlington community. Most importantly, over the nearly twenty years of working in the district, I have created lifelong friendships and relationships that I cherish and will continue to keep.

I embrace the opportunity to continue my professional growth at Spackenkill. Both Arlington and Spackenkill have shaped me as a leader and I am lucky to be able to call both districts home. I look forward to completing the school year and shaking hands with our Arlington graduates in June.

Finally, I would like to thank the community for valuing the learning process and being active participants in the education of our students. It is the partnership between school and home that enhances student learning and leads to positive experiences. It is these positive experiences at Arlington that I will carry with me forever.

Thank you,

Paul M. Fanuele, Ed.D.
Executive Principal
