Dear Arlington High School Senior,

The Arlington Education Foundation is pleased to once again offer its Scholarship Program to AHS Seniors who plan to further their education. Currently, the Foundation provides funding for over 45 different scholarships through the generous donations of individual and business donors. For 2022, it is our goal to award a total of \$70,000 in scholarships to our students.

The Foundation's 2023 Scholarship Program is officially open and we would like to encourage all graduating AHS seniors to consider applying. An application can be found on the back of this letter. Additional applications along with a complete listing of the 2023 scholarships can be found on the Foundation's website, www.arlingtonschools.org/aefny

All completed applications (application, personal essay, recommendation letter and transcript) must be given to Mrs. Dunn in AHS Central Guidance, Room 1341, or sent via email vdunn@acsdny.org by **2 pm on Thursday, May 4th (no exceptions)**. If you have any questions, please contact Ginny Dunn at 486-4860, ext. 31357 or the AEF Executive Director at 486-4460, ext. 20156.

Sincerely,

MaryBeth Kaminsky
