

Union Vale Middle School PTA Building & Teacher Support Request Application

The UVMS PTA can provide limited funding for activities, supplies and special programming for students and classrooms. All granted funds must be spent, requested and reimbursed by the conclusion of the 2021-22 school year. Yearly subscription requests must be submitted each year. **We will have 2 application deadlines during the school year - one in October and one in January.** Requests after these deadlines must wait until the next cycle. Requests will be discussed and voted on by the PTA Board to promote equity and benefit to as many students as possible.

Upon approval, the applicant will purchase the item/program, submit a receipt to the PTA, and then be reimbursed. We are unable to purchase items directly.

Please send it via email (uvmspta@gmail.com) with subject line Request Application by **October 15th or January 15th**, for consideration. All applicants will receive a response via email from the PTA by the end of Oct. or Jan. Please contact PTA President Alina Keenaghan with any questions amgk75@gmail.com
