### Coaching Staff:

- Varsity - Jeanne Porter: [jeporter93@gmail.com](mailto:jeporter93@gmail.com)
- Junior Varsity - KatyLnd Albrecht: [katlynd.albrecht@gmail.com](mailto:katlynd.albrecht@gmail.com)

### Program Expectations:

- “The goal of our cheerleading program is to promote self-esteem, teamwork, sportsmanship, and community leadership to the student involved in preparation for life after graduation.”
- As an Arlington Cheerleader, you are expected to participate in all practices, games, competitions, fundraisers, and community service events.
- We hold tryouts to evaluate skills and safety of all potential athletes. If a student is not placed on either team, we strongly encourage them to try again in the Winter.
- **Required Skills:**
  - **Junior Varsity:** No skills required, but cheerleading experience preferred.
  - **Varsity:** Cheerleading experience preferred. Tumbling of a back handspring or higher is required. However, non-tumblers will be considered if they excel in all other aspects (stunts, jumps, motions, cheers, and dances).
