Dear Noxon Road Community,

- *During Autism Acceptance Month, we focus on sharing positive, respectful, and accurate information about autism and people with autism. Autism Acceptance Month promotes acceptance and celebration of people with autism as family members, friends, classmates, co-workers, and community members, making valuable contributions to our world. Autism is a natural variation of the human experience, and we can all create a world which values, includes, and celebrates all kinds of minds. Join us on April 30th by wearing RAINBOW COLORS in celebration of this special month.*
- Thank you to our awesome Noxon Staff for continuing to offer great Club opportunities for our students. Please ensure you are following the deadline for participation and let's continue to make this last trimester extra special for our students! Special thanks to our Central Office for supporting and allowing our Clubs!
 1. [Club Opportunity for First and Second Grade-Due April 30th](#)
 2. [Club Opportunity for Third, Fourth & Fifth Graders-Due April 23rd](#)
- As you know, at Noxon, we have been doing temperature checks daily at Student arrival. As of this week, we are no longer doing that. Throughout our time doing temperature checks we rarely had high temperatures and even when we did, they were unrelated to Covid in all cases. We will continue to be diligent with our Daily Health Screening and thank our families in advance for not sending children to school with symptoms.
- If you are a parent drop off or pick up, we kindly ask that you have your Noxon student's carseat on the passenger side. It is safer for our staff and students to NOT be walking in front of vehicles and again, we kindly ask that you ensure their car seats are on the passenger side (if possible) for safety and ease.
- Arlington is hoping to offer a summer program to support the continued learning of our elementary students and rumor has it, the program could be housed at Noxon Road! Please complete this [Elementary Summer Program 2021 Survey](#) to indicate whether you would be interested in having your child considered for this program by Monday, April 19th.
- Noxon Road Yearbooks-On sale 'til April 30th for \$20. [YearbookOrderCenter.com](#) Order #: 11137
- *Please see the School Messenger with the link to the Operation Kidz In Flyer sent home earlier this week by the District. The School Messenger allows access to the document for the Remote Only families.*
- *Please see the Color Run flyer that was sent home earlier this week. For Remote Only families, please contact the office to make arrangements should you wish to drop off permission slip/payment and join the Color Run! [Color Run Flyer](#)*
- Plans are underway for Kindergarten Screening! We can't wait to welcome our newest Noxon Heroes! Stay tuned for more information/dates!
- Thank you to all of our families who signed up for the State Exams. We are working out the details for administration and will send that out shortly to those families who opted in!

COMMUNITY SPOTLIGHT

Did you know that Mr. D is not only a talented Math AIS teacher but ALSO an artist at heart ! He will be showing his masterpieces this Fall at Green Kill in Kingston!

Congratulations to Miss Ritacco, Miss Forman and Miss McGuirk on your recent engagements! We know your first loves are Noxon Road students but we welcome your second loves to our family!

Way to go 4th grader Jake Gatsik! You earned a certificate for "doing the right thing, even when no one is watching" as you kindly greeted your bus driver, thanked him for driving you and wished him a great day! We celebrate kindness and we celebrate you Jake!

The morning arrival line can be interesting and it was especially eventful this week when the battery died in one of our families vehicles! Without hesitation Mr. Eggleston "jumped" to the rescue (no pun intended) and we were so happy to see families helping families! What a great example for our kids!

First Grade Accountants-Thank you to the first graders for using the strategies they learned in Math lessons to help out their principal! I would have NEVER known that I had almost \$10 in pennies if it wasn't for their careful counting, building of tens and thorough work! Keep putting that learning into practice!

"Hey Noxon you're so fine, you're so fine you blow my mind Hey Noxon, Hey Noxon!' Our awesome Spirit Club advisors Mrs. Vidulich and Mrs. McCarthy are working with their club to create our new Noxon Cheer! Keep it up Spirit Club, the energy you are throwing out is contagious!

5th Graders making a "permanent mark" on their Elementary School. We are so grateful for all of the drawings that our 5th graders submitted to align with our theme "welcome all" and "value differences" as we plan for our Art Residency and mural creation! Stay tuned...

"As always, I'd love to give a huge shout out to my partner in crime, Miss McGuirk. I don't know what I would do without Miss McGuirk, but especially after a wild year like this one! Miss McGuirk keeps our classroom productive, engaged, and I'm pretty sure she can read my mind! Miss McGuirk is always willing to go above and beyond, not just for our classroom, but for the entire school. We all adore you, Miss McGuirk, thank you for all you do for us!" ~Love Mrs. Kimbark

We notice you Cassie!...Cassandra M. is a ray of sunshine every morning. She is so polite, kind to others, and enthusiastic in everything she does. She brightens our morning when she gets off the bus so happy and eager to be here. Her excitement is contagious and puts a smile on everyone around her. ~Ms. Spinelli

Shout out to Ms. Pattison's 4th Graders! They're finishing up a food webs display today! They're having fun while using technology, design skills, and great cooperation in groups! Way to go 4th Graders!

Mrs. O'Malley would like to highlight those readers who have transitioned from remote to in person AIS groups! They are rockin' it!

Did you know that Mrs. Rao and Mrs. McMorris are pursuing their National Board Certification? This is a difficult process and quite an accomplishment!

Thank you so much to one of our remote families, for letting us know that you are thinking of us! We love and miss you too!  Noxon

Estimada comunidad de Noxon Road:

- *Durante el Mes de Aceptación del Autismo, nos enfocamos en compartir información positiva, respetuosa y precisa sobre el autismo y las personas con autismo. El Mes de la Aceptación del Autismo promueve la aceptación y celebración de las personas con autismo como miembros de la familia, amigos, compañeros de clase, compañeros de trabajo y miembros de la comunidad, haciendo valiosas contribuciones a nuestro mundo. El autismo es una variación natural de la experiencia humana, y todos podemos crear un mundo que valore, incluya y celebre todo tipo de mentes. Únase a nosotros el 30 de abril vistiendo RAINBOW COLORS en celebración de este mes especial.*
- Gracias a nuestro increíble personal de Noxon por continuar ofreciendo excelentes oportunidades de Club para nuestros estudiantes. ¡Por favor asegúrese de cumplir con la fecha límite para participar y continuemos haciendo que este último trimestre sea muy especial para nuestros estudiantes! ¡Un agradecimiento especial a nuestra Oficina Central por apoyar y permitir a nuestros Clubes!
 1. [Oportunidad de club para el primer y segundo grado: vence el 30 de abril](#)
 2. [Oportunidad de club para el tercero, cuarto y quinto grado: vence el 23 de abril](#)
- Como saben, en Noxon, hemos estado haciendo controles de temperatura todos los días a la llegada de los estudiantes. A partir de esta semana, ya no lo haremos. A lo largo de nuestro tiempo haciendo controles de temperatura, rara vez tuvimos altas temperaturas e incluso cuando lo hicimos, no estaban relacionadas con Covid en todos los casos. Continuaremos siendo diligentes con nuestro examen de salud diario y agradeceremos a nuestras familias de antemano por no enviar a los niños a la escuela con síntomas.
- Si usted es un padre que deja o recoge, le pedimos amablemente que tenga el asiento de automóvil de su estudiante de Noxon en el lado del pasajero. Es más seguro para nuestro personal y estudiantes NO caminar delante de los vehículos y nuevamente, le pedimos amablemente que se asegure de que sus asientos para el automóvil estén del lado del pasajero (si es posible) por seguridad y facilidad.
- Arlington espera ofrecer un programa de verano para apoyar el aprendizaje continuo de nuestros estudiantes de primaria. Por favor complete esta [Encuesta 2021 del Programa de Verano de](#)

- Anuarios de Noxon Road: a la venta hasta el 30 de abril por \$ 20. [YearbookOrderCenter.com](#) N.º de pedido: 11137
- Consulte el School Messenger con el enlace al volante Operation Kidz In enviado a casa a principios de esta semana por el Distrito. El School Messenger permite el acceso al documento para las familias de Solo Remoto.
- Por favor, vea el volante de Color Run que se envió a casa a principios de esta semana. Para familias de Solo Remoto, por favor comuníquese con la oficina para hacer los arreglos necesarios si desea entregar el formulario de permiso / pago y unirse a Color Run. [Folleto de color Run](#)
- ¡Los planes están en marcha para la evaluación de kindergarten! ¡Estamos ansiosos por dar la bienvenida a nuestros nuevos héroes Noxon! ¡Estén atentos para más información / fechas!
- Gracias a todas nuestras familias que se inscribieron para los exámenes estatales. ¡Estamos trabajando en los detalles para la administración y los enviaremos en breve a las familias que optaron por participar!
