Dear Noxon Road Community,

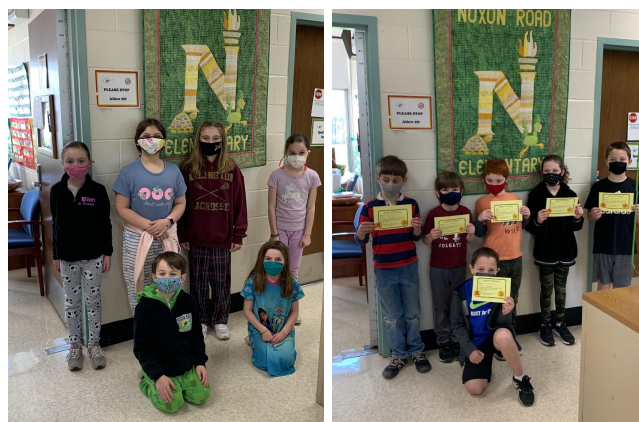

Welcome back! We are excited to begin this last trimester with all of our wonderful students! Please see information below and reach out (KMurray@acsdny.org) with any questions.

- **State Exams:** I have received a few questions regarding State Exams and wanted to clarify my expectations and plans for Noxon Road 3rd-5th graders. As stated in Dr. Licopoli's letter, **If you wish to have your child participate in this year's in-person administration of the state assessments, you must let us know by [completing this survey](#) by Wednesday, April 13.** Many families have expressed that they plan to have their children take the State Exams (which are administered each year) but they were concerned about their child missing instructional time (to take the exam.) **Please note that all students will have access to the same content and instruction, regardless of taking the exams or not.** Also, please note, the amount of time for test administration is significantly less this year (as there will not be any field questions) so the overall "in seat testing time" for students is very limited. At Noxon we typically have about 80% of our students in grades 3-5 take the exam and I do not expect that to be different this year. **If you already completed the survey and wish to change your answer, you may do it again and the most recent response is the one that will be recorded.**
- **Yearbooks are on Sale until April 30th for \$20.** Order yours today at YearbookOrderCenter.com Order #: 11137
If your child is remote and did not take Fall pictures, please send a picture of your child to Mrs. Tirado to include in the yearbook. Email MMenesestirado@acsdny.org.

- **Exámenes estatales:** He recibido algunas preguntas sobre los exámenes estatales y quería aclarar mis expectativas y planes para los estudiantes de 3° a 5° grado de Noxon Road. Como se indica en la carta del Dr. Licopoli, **si desea que su hijo participe en la administración en persona de las evaluaciones estatales de este año, debe informarnos antes [completando esta encuesta](#) para el miércoles 13 de abril.** Muchas familias han expresado que planean que sus hijos tomen los exámenes estatales (que se administran cada año), pero les preocupaba que su hijo faltara tiempo de instrucción (para tomar el examen). **Tenga en cuenta que todos los estudiantes tendrá acceso al mismo contenido e instrucción, independientemente de si se presenta a los exámenes o no.** Además, tenga en cuenta que la cantidad de tiempo para la administración del examen es significativamente menor este año (ya que no habrá preguntas de campo), por lo que el "tiempo de examen en el asiento" general para los estudiantes es muy limitado. En Noxon, por lo general, aproximadamente el 80% de nuestros estudiantes en los grados 3-5 toman el examen y no espero que sea diferente este año. **Si ya completó la encuesta y desea cambiar su respuesta, puede hacerlo nuevamente y la respuesta más reciente es la que se registrará.**
- **Los anuarios están a la venta hasta el 30 de abril por \$ 20.** Ordene el suyo hoy en [YearbookOrderCenter.com](#) Orden #: 11137
Si su hijo está a distancia y no tomó fotografías de otoño, envíe una fotografía de su hijo a la Sra. Tirado para incluirla en el anuario. Envíe correo electrónico a unMMenesestirado@acsdny.org.
