Dear Noxon Road Families,

October 2nd is Custodial Worker Day so TODAY, we celebrated our amazing Custodians and showed them thanks and appreciation for all that they do for us and our school! Shout to our 5th graders, **Lilly Martin, Quentin Savath, Mia Cegielski and Kaylee Luff** for organizing our SURPRISE tribute where a speech was read by our students, cards and gifts were handed out, a song (You Can Count on Me) was sung and a standing ovation was given in their honor! Please enjoy the pictures below that capture this special tribute and the speeches that were read.

- **Kaylee:** Happy national custodian week! Thank you for keeping our school so nice and clean. You keep an entire school clean and the school is pretty big. Also in the cafeteria you have to clean each and every desk after someone eats at it. You are incredible custodians that noxon road is lucky to have. You really are the best custodians you can get. Hope you have a great week all about you because you deserve it. And I hope you always remember you are very much appreciated at Noxon Road as a custodian. So thanks!
- **Shaan:** Thank you for all the hard work you've done for this school. One thing I love about you guys so much is that you clean up spills in the cafeteria, change garbage bags, change sanitizer/soap dispensers, and much more! 5 custodians yet you manage to do so many things for Noxon. Thank you for bringing so much positivity to this school. Everybody loves you at Noxon so keep it up! Noxon is lucky to have phenomenal custodians like you guys!
- **Lilly:** Most custodians are quiet and just clean but our Noxon custodians are different. They are kind, caring, and really friendly! You tell really funny jokes and always interact with all the students. Even a simple hello will always make our days! I love that you are able to take out the trash, clean up a spill on the floor, or mopp but are talking to us telling us to have a nice day. Sometimes I see custodians putting up the flag and they wave to the busdriver every morning! We really couldn't ask for more friendly custodians and better role models for all of us!
- **Quentin:** We notice how many hours you put in to make our school a wonderful place to be. Who gets school ready for us before we get there in the morning? Who stays after school to clean up after us? And what about weekends after a big event, or over the summer? It is our super custodians doing this hard labor. We appreciate the time and effort you put into making our school a better place. We want you to always remember that we notice you and we appreciate you!
- **Mia:** Custodians, thank you for keeping our school very clean, thank you for being so helpful, thank you for being so friendly, and thank you for teaching us how important it is to take good care of the things that we have in our life (like our school) and to not take it for granted. I hope you had a great Custodians week. Thank you so much for everything you have done for the school. You are awesome custodians. And I hope you always know that we know we can always count on you and **YOU CAN ALWAYS COUNT ON US TOO!**

Thanks in advance for reading the important information below and as always, please reach out at KMurray@acsdny.org should you have any questions or concerns! Dr. Murray
