Dear Noxon Road Community,

We hope that you had a safe and restful break and are ready to get back into the swing of things, this week! As a reminder, we are all fully remote for this week. Please make sure that your child is logged on according to your classroom teacher's schedule and prepared for learning each day. In addition, please ensure that you are reporting any positive Covid cases and/or contact me so that we can ensure the safety of our staff and students upon return.

If you haven't already, please check out the links below and enjoy this last (possibly snowy) night before we are together again virtually!
