**HEALTHY ADVANTAGE (PPO)** provides hospitalization, medical and surgical, and extended (major) medical coverage through Anthem Bluecross and drug coverage through Carelon Rx. Healthy Advantage provides coverage for both In-Network and Out-of-Network Providers. Healthy Advantage allows both freedom of choice as well as the convenience of low out-of-pocket costs and small co-pays. There are no claim forms or deductibles when using in network providers. There is a coinsurance charge for services when in-network providers are used. The plan offers greater incentives to use preferred providers, however out-of network benefits are available but with higher out-of-pocket costs, such as deductible and co-insurance.

Pre-tax Payroll Deduction July 1, 2025 – June 30, 2026	<b><u>Individual</u></b> \$154.18 per payroll	<b><u>Family</u></b> \$343.83 per payroll

Although the EPO SELECT 20 provides coverage through In-Network Providers only, the network is national and identical to the Healthy Advantage PPO network. EPO SELECT 20 allows the convenience of low out-of-pocket costs and small co-pays. There are no claim forms or deductibles.
