Here are a few things you can do with the ParentSquare App:

- Choose to receive information as it comes, or all at once at 6 pm daily.
- Receive push notifications
- See calendar items
- Easily download photos
- View all your district, school, and classroom communications in one place.

You can use ParentSquare on any device. You can download the free mobile app for iOS (Apple) or Android and you can also use it from a computer. Please look for additional details at <https://www.arlingtonschools.org/ParentSquare>.

Important Note: When you login, you will see a list of community groups. As a parent or staff member, you do NOT need to sign up for these groups. You will receive these notifications automatically. Community groups are for members of the community who do not have students active in the district, but would still like to receive district notifications. Keep an eye on your email. Over the next two weeks, we will be sending several emails with important back to school forms and information. You can also find this information in one convenient location on our website under News at www.arlingtonschools.org. Please check back for updates.

The Arlington Central School District mission is to empower all students to be self-directed, lifelong learners, who willingly contribute to their community, and lead passionate and purposeful lives.
