The Arlington Central School District Board of Education (Board) is committed to providing a safe and productive school environment where students and staff engage and thrive in the teaching and learning process. All stakeholders, including students, teachers, administrators, staff, parents and visitors, are essential to achieving this goal.

The District has a long standing set of expectations for conduct on school property and at school functions. These expectations are based on the principles of safety, civility, mutual respect, citizenship, character, acceptance, inclusiveness, equity, honesty and integrity.

The Board recognizes the need to define these expectations for acceptable conduct on school property, to identify the possible consequences and interventions of unacceptable conduct, and to ensure that discipline, when necessary, is administered promptly and equitably. To this end, the Board adopts this Code of Conduct (Code).

This Code applies to all stakeholders, which include students, employees, parents and other visitors when on school property, school buses or attending a school function, including distance learning activities, or when engaged in off-campus behavior that endangers the health, safety and well-being of members of the school community.

5. File a Dignity for All Students Act (DASA) complaint, to know who the DASA Coordinators are (posted in each building lobby), and to know the status of their complaint.

All District students have the responsibility to:

1. Contribute to maintaining a safe and orderly school environment that is conducive to learning and to show respect to other persons and to school property.

2. Be familiar with and abide by all district policies, rules and regulations dealing with student conduct.

All Arlington students are expected to conduct themselves in a civil manner that shows regard for other students, staff, and other members of the school and general community.

Behavior that is:
- Disorderly/Unsafe *(i.e., running, misusing equipment)*
- Insubordinate *(i.e., failure to comply with reasonable directions)*
- Violent *(i.e., hurting others, possessing a weapon, threatening others)*
- Endangering the welfare of others *(i.e., discrimination, harassment, sexual harassment, intimidation, possession of alcohol or drugs, provoking/encouraging/inciting others to violate the Code of Conduct)*
- Dangerous behavior off campus, including the school bus
- Academic misconduct *(i.e., plagiarism, cheating, forging notes)* may be subject to disciplinary action, up to an including suspension from school.
Dignity for All Students Act
A state law known as the Dignity for All Students Act focuses on ensuring that our schools are a safe place and that all students know they are protected from certain types of behavior including cyberbullying. Each school has a Dignity Act Coordinator, who is trained in addressing the issues covered by the law. If anyone is making you or anyone else feel unsafe, threatened, harassed or discriminated against, and is therefore causing an imposition on your ability to learn, please talk to your Dignity Act Coordinator, principal, or another adult at school.

Dignity Act Coordinators
The Board of Education shall appoint District Coordinators and Building Level Coordinators on an annual basis and as changes occur throughout the school year. The names of the Building Level Dignity Act Coordinators are available on the District website (arlingtonschools.org) or by contacting any school or central office.

Reporting & Retaliation
All students are expected to promptly report any violations of the Code of Conduct to the appropriate adult. This includes incidents of other students or staff being harassed or discriminated against by students, school staff or other individuals on school property. Students who believe they have been harassed or discriminated upon due to their actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex, sexual orientation, or gender (including gender identity and expression), are to report allegations to the Dignity Act Coordinator(s) who will investigate all complaints and take prompt corrective action, as necessary. In addition, any district staff member who observes or learns of an incident or possible incident of harassment or discrimination must take immediate and appropriate action to report the incident to the administration. Staff members must also take steps to both end the harassment or discrimination and prevent it from reoccurring. Any act of retaliation against a person who reports, investigates or participates in the review of a complaint of harassment or discrimination will not be tolerated.

All students, staff, and parents are responsible to report violations of the Code of Conduct to a school administrator or law enforcement personnel. Restorative and accountable consequences and interventions are determined after a thorough investigation has been conducted. Disciplinary action, when necessary, will be firm, fair and consistent. School personnel will consider all circumstances in determining consequences. As a general rule, discipline will be progressive, meaning that a student’s first violation will receive a lighter penalty than subsequent violations (unless a law has been broken). Discipline procedures range in severity from a verbal warning to permanent suspension from school. Students must be told what rule has been broken and must be given a chance to tell their version of the facts to the administrator who is imposing a penalty. Additionally, information must be shared with parents if the penalty will result in removal from class, and/or suspension from school, transportation or extracurricular activities.

Please refer to the Code of Conduct for further details.

Note: The District adheres to all Federal and State regulations regarding the discipline of students with disabilities.
