Review the health plan below to find the right fit for your needs.

EPO

This plan covers services from doctors and hospitals that are part of the exclusive provider organization (EPO) plan:

- Normally, you will not have to go through your primary care doctor if you need to see a specialist, such as an orthopedic doctor or a cardiologist.
- If you visit a doctor outside the plan, you'll have limited benefits and pay a higher cost for care, typically.

Vision benefits

When you choose Blue View VisionSM, you will be covered for routine eye exams and receive annual allowances for eyeglasses or contact lenses. You will also have other plan benefits, such as discounts on lens upgrades and extra pairs of glasses.

Blue View Vision gives you access to more than 40,000 eye doctors at more than 30,000 locations¹ across the country. You can go to an independent eye doctor in your plan's network or to national and regional stores, such as **LensCrafters®**, **Pearle Vision®**, and **Target Optical®**. Many of these stores have evening and weekend hours to make it easier to find eye care when and where you need it. You can also order glasses and contacts online through **Glasses.com®**, **ContactsDirect®** or **1-800 CONTACTS®**.

Remember, you can save time and money if you use an independent eye doctor, retail store, or online option that's in your plan's network.

If you choose eyeglasses, your plan includes:

- A frame allowance.
- A discount off the balance if you buy eyeglass frames that cost more than your benefit allowance.
- Savings on lens options and upgrades, such as Transitions® and specialty lenses.
- Enhanced benefits at no extra cost:
 - UV-blocking Transitions lenses and impact-resistant polycarbonate coating for children up to age 19.
 - Factory scratch coating on new lenses.
- Up to 40% off unlimited extra pairs of glasses, including prescription sunglasses.
- 20% off other noncovered items, such as upgrades, accessories, and nonprescription sunglasses.

If you choose contact lenses, your plan includes:

- A contact lens allowance.
- A discount off the balance if you buy conventional contact lenses that cost more than your benefit allowance.

Blue View Vision's International Travel Solution helps you when traveling outside of the U.S.:

- Find a trusted eye doctor in 20 countries and territories.²
- Receive 24/7 phone support, with translation services in 160 languages.
- If you lose or break your glasses, you can receive temporary emergency glasses with adjustable lenses delivered within 24 hours in most locations, at no extra cost.

Your medical plan includes one eye exam each year through the Blue View Vision network at no extra cost. This is a complete eye exam that includes dilation and a vision test.

Keep an eye on your health

Routine eye checkups go beyond making sure you can see clearly. They also can catch other health issues early, such as diabetes, high blood pressure, high cholesterol, and rheumatoid arthritis.³

Using your plan

How to use your plan

This guide shows you ways to make using your plan easier. You will also discover tools and resources that can help you reach your health and wellness goals.

How to use your plan

Register for online tools and resources

Your plan comes with great tools and programs to help you reach your health goals and save money on health products and services that may come at no extra cost. For detailed information, use the **Sydney Health** mobile app or register at empireblue.com.

Sydney Health mobile app

Discover a powerful and more personalized health app. Access your benefits and wellness tools to improve your overall health with the **Sydney Health** app. The app works with you by guiding you to better overall health — and brings your benefits and health information together in one convenient place. **Sydney Health** has everything you need to know about your benefits to make the most of them while taking care of your health.

Working with you:

- Reminding you about important preventive care needs.
- Planning and tracking your health goals, fitness, and rewards.
- Guiding you with insights based on your history and changing health needs.
- Empowering you with personalized resources to find and compare doctors and check costs.

Working for you:

- **Virtual chat visits** — **Sydney Health** can link you directly to doctors for virtual chat visits at low to no additional-cost.* During your appointment; the doctor will evaluate your symptoms; discuss your treatment options, and order prescriptions, if you need them.
- **Virtual video visits** — You can also use **Sydney Health** to connect with a doctor through video visits.
- **Virtual primary care** — When you need preventive care, such as wellness check-ins, lab work referrals, specialist referrals, or help with a long-term condition such as asthma, you can use Sydney Health to have a video visit with a doctor.

* Pricing based on \$0 copay benefit eligibility offered through your plan.

How to use your plan

Use your ID card from your phone

Quickly access your ID card on your phone by using the **Sydney Health** mobile app or logging in at **empireblue.com**. Your digital ID card works the same as a paper one. You can share it with your doctor or pharmacy by printing a copy anytime you need one, or emailing or faxing it from your computer or mobile device. You also can download your ID card for quicker access.

Find a doctor in your plan

The right doctor can make all the difference. Choosing a doctor who is in your plan's network can save you money. Your plan includes a broad selection of high-quality doctors. If you decide to receive care from doctors outside the plan's network, it will cost you more and your care might not be covered.

To find a healthcare professional or facility in your plan's network, use the **Find Care** tool on the **Sydney Health** mobile app or at **empireblue.com**. You can search for doctors, hospitals, pharmacies, and high-quality labs such as Quest Diagnostics and Labcorp.

Schedule a checkup

Preventive care, such as regular checkups and screenings, can help you avoid health issues in the future. Your plan covers these services at little or no extra cost when you see a doctor in your plan's network:

- Yearly physical
- Well-child visits
- Flu shot
- Routine shots
- Screenings and tests

Vision plans cover annual checkups if you see an eye doctor in your plan's network. Typically, plans cover one vision checkup each year. Check your plan details on the **Sydney Health** mobile app or **empireblue.com** to confirm what preventive care is covered.

Receive the COVID-19 vaccine or booster shot at no extra cost

A COVID-19 vaccine can help keep you, your family, and your community safe. You and your covered family members will not have to pay out-of-pocket costs for COVID-19 vaccine or booster doses. Your Empire plan covers them.

You can visit any healthcare professional for your vaccine or booster shot, including those outside your plan's network.

Go to [vaccines.gov](https://www.vaccines.gov) to find COVID-19 vaccine locations near you.

How to use your plan

Travel with peace of mind

Your health plan goes with you when you're away from home and need care immediately. The BlueCard program gives you access to services across the country. This includes 1.7 million doctors and hospitals with Blue Cross Blue Shield companies.¹ If you're traveling out of the country, you can receive care through the Blue Cross Blue Shield Global Core program. It gives you access to doctors and hospitals in more than 190 countries and territories around the world.²

If you need care in the U.S., go to [empireblue.com](https://www.empireblue.com). When you're outside the U.S., visit [bcbsglobalcore.com](https://www.bcbsglobalcore.com) or download the BCBS Global Core mobile app. You also can call Blue Cross Blue Shield Global Core 24/7 at 011-800-810-BLUE (2583) or call collect by dialing 0170 and telling the operator you want to call 011-804-673-1177.

If you have questions about travel benefits, call the Member Services number on your ID card before you leave home.

Access care from home in a way that works for you

- **Assess your symptoms online at no cost.** Answer questions through the **Sydney Health** intuitive Symptom Checker. It uses the information you provide to narrow down millions of medical data points and assess your specific symptoms before you visit a doctor.
- **Chat with a doctor at low to no additional-cost.**³ **Sydney Health** can link you directly to doctors for virtual chat visits. During your appointment, the doctor can evaluate your symptoms; discuss your treatment options; and order prescriptions; if you need them.
- **Have a video visit with a doctor.** You can also use **Sydney Health** to connect with a doctor through video visits.
- **Schedule a virtual primary care appointment** for routine care and prescription refills, if needed. You can also receive a personalized care plan for chronic conditions, such as heart disease.

Where to go for care when you need it now

When it is an emergency, call 911 or go to the nearest emergency room. If you need nonemergency care right away:

- Check to see if your primary care doctor can see you.
- Search for nearby urgent care to avoid costly emergency room visits and long wait times.
- See a doctor anytime using LiveHealth Online from your mobile device or computer.
- Call 24/7 NurseLine and receive helpful advice from a registered nurse.

² GeoBlue, More than 20 years as a leader in international healthcare (accessed May 2021); [about-geo-blue.com](https://www.about-geo-blue.com).

³ If you have a high-deductible health plan and have not met your deductible, the price of a visit will be \$39, starting on the date in 2022 your plan renews.

LiveHealth Online is the trade name of Health Management Corporation, a separate company, providing telehealth services on behalf of Anthem Blue Cross and Blue Shield.

Plan extras that support your health

Medical guidance

24/7 NurseLine — You can connect with a registered nurse who will answer your health questions wherever you are — anytime, day or night. They can help you decide where to go for care and find doctors and other healthcare professionals in your area.

Call 800-337-4770.

Empire Health Guides — Highly trained Empire associates are like personal support guides who can help you with all your healthcare needs. They can help you connect with the right resources, stay on top of the screenings and tests you need, and find doctors. Reach a health guide by calling the number on your member ID card. You also can go to **empireblue.com** to send a secure email or chat with them online.

Case Management — If you're coming home after surgery or have a serious health condition, a nurse care manager can help answer your questions about your follow-up care, medicines and treatment options, coordinate benefits for home therapy or medical supplies, and find community resources to help you. Your nurse care manager will call you, but you also can call the Member Services number on your ID card.

ConditionCare — Receive support from a dedicated nurse team to manage ongoing conditions, such as asthma, chronic obstructive pulmonary disease (COPD), diabetes, heart disease, or heart failure. Work with dietitians, health educators, and pharmacists who can help you learn about your condition and manage your health.

Diabetes Prevention Program — This 16-week program can help you lose weight and help reduce your risk of developing diabetes. You can choose from a variety of support services such as WW® (Weight Watchers) and HealthSlate. This program may come with a health coach, meal planner, scale, weekly lessons, and small group support. For information, go to **empireblue.com** and select Dashboard under the My Health Dashboard tab.

Future Moms — This program can help you take care of yourself and your baby before, during, and after pregnancy. You can talk to registered nurses 24/7 about your pregnancy and newborn care. You will also have access to dietitians and social workers, as needed.

Healthy living

MyHealth Advantage — There is no cost for this service, and it can help you stay healthy and save money. You will receive reminders when you need to refill a prescription or have a checkup, test, or exam. You will also receive a personalized and confidential MyHealth Note in the mail or on the **Sydney Health** mobile app if we see something that might help you.

SpecialOffersSM — With SpecialOffers, you can receive discounts on products and services that help promote better health and well-being.

Understanding healthcare terms

Deductible:

A set amount you pay each year for covered services before your plan starts to pay for covered healthcare costs.

Copay:

A flat fee you pay for covered services, such as doctor visits.

Coinsurance:

Once you've met your deductible, you and your health plan share the cost of covered healthcare services. The coinsurance is your share of the costs, usually a percent of the cost of care. Your plan details show what portion of the cost you will pay.

Out-of-pocket limit:

This is the maximum amount you could pay before your plan starts to pay 100% of all covered healthcare costs.* It's the sum of the deductible and coinsurance amounts.

Premium:

The premium, also called a monthly payment, is what you pay for the plan. It's the money that comes out of your paycheck.

What you pay and what your plan pays

* There are plans that require you to pay a copay at the time of service.

EPO Select 20

- (1) A network provider must deliver all care. There is no out-of-network option for this product, except for emergency care, urgent care, and Blue View Vision services.
- (2) Preventive Care benefits not subject to copayment when provided In-Network include; mammography screenings, cervical cancer screenings, colorectal cancer screenings, prostate cancer screenings, hypercholesterolemia screenings, diabetes screenings for pregnant women, bone density testing, annual physical examinations and annual obstetric and gynecological examinations. May also include other services as required under State and Federal Law. May be subject to age and frequency limits.
- (3) You are responsible for obtaining precertification from Empire's Medical Management Program for these services. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained. For ambulatory surgery, precertification is required for reconstructive surgery, outpatient transplants and ophthalmological or eye-related procedures. Precertification is also required for cosmetic surgery, an excluded benefit except when medically necessary.
- (4) You are responsible for obtaining precertification from the Behavioral Healthcare Manager for these services. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained.
- (5) For services received from an Empire network provider, the provider must precertify in-network services; Empire's network providers cannot bill members for covered services. Outside Empire's network area, you must obtain precertification from Empire's Medical Management Program for services from in-network BlueCard® PPO providers (with the exception of MRI, MRA, PET, CAT and Nuclear Cardiology services, which do not require precertification for services rendered from in-network BlueCard® PPO providers outside of Empire's network area). The BlueCard® PPO provider may call for you for services that do require precertification, but you will be responsible for penalties applied if precertification is not obtained.
- (6) Empire's network provider must obtain authorization for clinical/medical necessity for in-network services; Empire network providers cannot bill members beyond the in-network copayment for covered services. Authorization is not required for services rendered from in-network BlueCard® PPO providers outside of Empire's network area.
- (7) This prescription drug coverage meets the CMS standard for Creditable Coverage under the Medicare Modernization Act of 2003.
- (8) To receive a 90-day supply of prescription drugs through Empire's Mail-Order Program, the prescription must be written specifically for a 90-day supply.

IMPORTANT NOTE: This is a benefits summary only and is subject to the terms, conditions, limitations and exclusions set forth in your Certificate of Coverage, Schedule of Benefits, and any additional Riders or Contracts your group has purchased. Be sure to consult your benefit Contract or Certificate for full details about your coverage. To the extent that there is a conflict between this Summary and your benefit Contract or Certificate, the terms of the Contract or Certificate will control. Failure to comply with Empire's Medical Management or Behavioral Healthcare Management Program requirements could result in benefit reductions.

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

Included are preventive care services that meet the requirements of federal and state law, including certain screenings, immunizations and physician visits.

Blue View Vision is for routine eye care only. If you need medical treatment for your eyes, visit a participating eye care physician from your medical network. If you have questions about your benefits or need help finding a provider, visit empireblue.com or call us at 1-866-723-0515.

This is a primary vision care benefit intended to cover only routine eye examinations and corrective eyewear. Benefits are payable only for expenses incurred while the group and insured person's coverage is in force. This information is intended to be a brief outline of coverage. All terms and conditions of coverage, including benefits and exclusions, are contained in the member's policy, which shall control in the event of a conflict with this overview. Discounts referenced are not covered benefits under this vision plan and therefore are not included in the member's policy. Laws in some states may prohibit network providers from discounting products and services that are not covered benefits under the plan. Frame discounts may not apply to some frames where the manufacturer has imposed a no discount policy on sales at retail and independent provider locations. Discounts are subject to change without notice. This benefit overview is only one piece of your entire enrollment package.

Stay on top of your health

Use your preventive care benefits

Regular preventive care can help you stay healthy and catch problems early, when they are easier to treat. Our health plans offer all the preventive care services and immunizations below at no cost to you.¹

If you are not sure which exams, tests, or shots make sense for you, talk to your doctor.

Preventive care vs. diagnostic care

What's the difference? Preventive care helps protect you from getting sick. If your doctor recommends you receive services even though you have no symptoms, that's preventive care. Diagnostic care is when you have symptoms, and your doctor recommends services to determine what's causing those symptoms.

Adult preventive care

General preventive physical exams, screenings, and tests (all adults):

- Alcohol misuse: related screening and behavioral counseling
- Aortic aneurysm screening (for men who have smoked)
- Behavioral counseling to promote a healthy diet
- Blood pressure
- Bone density test to screen for osteoporosis
- Cholesterol and lipid (fat) levels screening
- Colorectal cancer screenings, including fecal occult blood test, barium enema, flexible sigmoidoscopy, screening colonoscopy and related prep kit, and computed tomography (CT) colonography (as appropriate)^{2, 3}
- Depression screening
- Diabetes screening (type 2)⁴
- Eye chart test for vision⁵
- Hepatitis B virus (HBV) screening for people at increased risk of infection
- Hearing screening
- Height, weight, and body mass index (BMI) measurements
- Hepatitis C virus (HCV) screening
- Human immunodeficiency virus (HIV): screening and counseling
- Interpersonal and domestic violence: screening and counseling
- Lung cancer screening for those ages 50 to 80 who have a history of smoking 20 packs or more per year and still smoke, or who have quit within the past 15 years²
- Obesity: related screening and counseling⁴
- Prostate cancer screenings, including digital rectal exam and prostate-specific antigen (PSA) test
- Sexually transmitted infections: related screening and counseling
- Tobacco use: related screening and behavioral counseling
- Tuberculosis screening

Women's preventive care:⁶

- Breast cancer screenings, including exam, mammogram, and genetic testing for BRCA1 and BRCA2 when certain criteria are met⁷
- Breastfeeding: primary care intervention to promote breastfeeding support, supplies, and counseling^{8, 9, 10}
- Contraceptive (birth control) counseling
- Counseling related to chemoprevention for those at high risk for breast cancer
- Counseling related to genetic testing for those with a family history of ovarian or breast cancer
- Food and Drug Administration (FDA)-approved contraceptive medical services, including sterilization, provided by a doctor
- Human papillomavirus (HPV) screening⁹
- Interpersonal and domestic violence: screening and counseling
- Pelvic exam and Pap test, including screening for cervical cancer
- Pregnancy screenings, including gestational diabetes, hepatitis B, asymptomatic bacteriuria, Rh incompatibility, syphilis, HIV, and depression⁹
- Well-woman visits

Immunizations:

- Diphtheria, tetanus, and pertussis (whooping cough)
- Hepatitis A and hepatitis B
- Human papillomavirus (HPV)
- Influenza (flu)
- Measles, mumps, and rubella (MMR)
- Meningococcal (meningitis)
- Monkeypox and/or smallpox (at risk)
- Pneumococcal (pneumonia)
- Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) (COVID-19)
- Varicella (chickenpox)
- Zoster (shingles)

The preventive care services listed above are recommendations of the Affordable Care Act (ACA) and are subject to change. They may not be right for every person. Ask your doctor what's right for you.

This sheet is not a contract or policy with Empire BlueCross BlueShield. If there is any difference between this sheet and the group policy, the group policy provisions will rule. Please see your combined *Evidence of Coverage and Disclosure Form* or *Certificate* for exclusions and limitations.

Child preventive care

Preventive physical exams, screenings, and tests:

- Behavioral counseling to promote a healthy diet
- Blood pressure screening
- Cervical dysplasia screening
- Cholesterol and lipid (fat) levels screening
- Depression screening
- Development and behavior screening
- Diabetes screening (type 2)
- Hearing screening
- Height, weight, and BMI measurements
- Hemoglobin or hematocrit (blood count) screening
- Lead testing
- Newborn screening
- Obesity: related screening and counseling
- Oral (dental health) assessment, when done as part of a preventive care visit
- Sexually transmitted infections: related screening and counseling
- Skin cancer counseling for those ages 6 months to 24 years with fair skin
- Tobacco use: related screening and behavioral counseling

Immunizations:

- Chickenpox
- Flu
- Haemophilus influenza type B (HIB)
- Hepatitis A and hepatitis B
- Human papillomavirus (HPV)
- Meningitis
- Measles, mumps, and rubella (MMR)
- Pneumonia
- Polio
- Rotavirus
- Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) (COVID-19)
- Whooping cough

If you'd like more help understanding your preventive care benefits, call Member Services at the number on your ID card.

- 1 The range of preventive care services covered at 100% when provided by plan doctors is designed to meet state and federal requirements. The Department of Health and Human Services decided which services to include for full coverage based on U.S. Preventive Services Task Force A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC), and certain guidelines for infants, children, adolescents, and women supported by Health Resources and Services Administration (HRSA) guidelines. You may have additional coverage under your insurance policy. To learn more about what your plan covers, see your *Certificate of Coverage* or call the Member Services number on your ID card.
- 2 You may be required to receive preapproval for these services.
- 3 The follow-up colonoscopy after a positive stool-based or direct visualization (such as a CT colonography or flexible sigmoidoscopy) colorectal cancer screening is considered a screening colonoscopy, meaning it is paid at 100% (so you pay no share of the cost) when provided by a doctor in the plan's network.
- 4 The Centers for Disease Control and Prevention (CDC)-recognized diabetes prevention programs are available for overweight or obese adults with abnormal blood glucose or who have abnormal CVD risk factors.
- 5 Some plans cover additional vision services. Please see your contract or *Certificate of Coverage* for details.
- 6 Keep in mind, these recommendations are categorized by "men" and "women," and are driven by biological sex (male and female) rather than gender identity. Meet with your doctor to determine which recommendations best apply to you based on individual factors, such as your sex assigned at birth and current anatomy.
- 7 Check your medical policy for details.
- 8 Breast pumps and supplies must be purchased from suppliers or retailers in your plan's network for 100% coverage. We recommend using plan durable medical equipment (DME) suppliers.
- 9 This benefit also applies to those younger than age 19.
- 10 Counseling services for breastfeeding (lactation) can be provided or supported by a doctor or facility in your plan's network, such as a pediatrician, OB-GYN, or family medicine doctor, and hospitals with no member cost share (deductible, copay, or coinsurance). Contact the provider to see if such services are available.
- 11 You may pay a share of the cost for other prescription contraceptives, based on your drug benefits. Your share of the cost may be waived if your doctor decides that using the multisource brand or brand name is medically necessary.

It's important we treat you fairly

We follow federal civil rights laws in our health programs and activities. By calling Member Services, our members can get free in-language support, and free aids and services if you have a disability. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID card for help (TTY/TDD: 711). If you think we failed in any of these areas, you can mail a complaint to: Compliance Coordinator, P.O. Protecting your privacy

How we keep your information safe and secure

As a member, you have the right to expect us to protect your personal health information. We take this responsibility very seriously, following all state and federal laws, as well as our own policies.

You also have certain rights and responsibilities when receiving your healthcare. To understand how we protect your privacy, your rights and responsibilities when receiving healthcare, and your rights under the Women's Health and Cancer Rights Act, go to [empireblue.com/privacy](https://www.empireblue.com/privacy). For a printed copy, please contact your Benefits Administrator or Human Resources representative.

How we help manage your care

To see if your health benefits will cover a treatment, procedure, hospital stay, or medicine, we use a process called utilization management (UM). Our UM team is made up of doctors and pharmacists who want to be sure you receive the best treatments for certain health conditions. They review the information your doctor sends us before, during, or after your treatment. We also use case managers. They're licensed healthcare professionals who work with you and your doctor to help you manage your health conditions. They also help you better understand your health benefits.

For additional information about how we help manage your care, go to [empireblue.com/memberrights](https://www.empireblue.com/memberrights). To request a printed copy, please contact your Benefits Administrator or Human Resources representative.

Special enrollment rights

Open enrollment usually happens once a year. That's the time you can choose a plan, enroll in it, or make changes to it. If you choose not to enroll, there are special cases when you're allowed to enroll during other times of the year.

- **If you had another health plan that was canceled.** If you, your dependents, or your spouse are no longer eligible for benefits with another health plan (or if the employer stops contributing to that health plan), you may be able to enroll with us. You must enroll within 31 days after the other health

plan ends (or after the employer stops paying for the plan). For example: You and your family are enrolled through your spouse's health plan at work. Your spouse's employer stops paying for health coverage. In this case, you and your spouse, as well as other dependents, may be able to enroll in one of our plans.

- **If you have a new dependent.** You gain new dependents from a life event, such as marriage, birth, adoption, or if you have custody of a minor and an adoption is pending. You must enroll within 31 days after the event. For example: If you marry, your new spouse and any new children may be able to enroll in a plan.
- **If your eligibility for Medicaid or SCHIP changes.** You have a special period of 60 days to enroll after:
 - You (or your eligible dependents) lose Medicaid or the State Children's Health Insurance Program (SCHIP) benefits because you're no longer eligible.
 - You (or eligible dependents) become eligible to receive help from Medicaid or SCHIP for paying part of the cost of a health plan with us.

For full details, read your plan document, which has all the details about your plan. You can find on [empireblue.com](https://www.empireblue.com).
