Dear First Grade Family,

I am pleased to know that we will begin an exciting adventure together in September. The school year will be filled with fun and learning as we will travel through reading, writing, math, science, social studies and more!

Our First Grade Supply List is available on our website. Parents, please label your child’s supplies with their names. It will help in keeping them organized.

I hope your summer has been enjoyable and I look forward to hearing all about it.

Enjoy the rest of your summer.

Your Excited First Grade Teacher,

Mrs. Brickhouse
