August 2019

Dear Second Grader,

Hello! I am very excited to begin the new school year and have you in our class. I can’t wait to tell you all about my summer adventures and to hear all about yours!

Our classroom theme for the year is 'Superheroes'. In room 22, we believe that learning is our superpower. You will use your superpowers to do amazing things in reading, math, writing, science, social studies and getting along with others. We all have different strengths to share with each other. Superheroes use their powers to solve problems and make the world a better place for learning and playing.

When we put all of our powers together, we make one AWESOME second grade class! Start thinking about your powers-what are some things you are really good at?

Please visit our website for our Second Grade Supply List.

I am looking forward to an amazing school year together! If you are available I am holding a Meet & Greet on Wednesday, August 28 from 11:00-2:00. Enjoy the last days of summer vacation and I will see you on September 5th.

Your teacher,
Mrs. Ritchie
Overlook Primary School
