

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://eoc.anthem.com/eocdps/>. Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	\$0/person or \$0/family for In-Network Providers. \$300/person or \$750/family for Out-of-Network Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	No.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <a href="#">plan</a> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <a href="#">plan</a>?</b>	\$5,080/person or \$12,700/family for In-Network Providers. \$1,050/person or \$2,000/family for Out-of-Network Providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.anthembluecross.com/find-care/?alphaprefix=DHB">www.anthembluecross.com/find-care/?alphaprefix=DHB</a> or call (844) 241-7085 for a list of <u>network providers</u> . Costs may vary by site of service and how the <u>provider</u> bills.	This <a href="#">plan</a> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <a href="#">plan's</a> <u>network</u> . You will pay the most if you use an Out-of-Network Provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <a href="#">plan</a> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an Out-of-Network Provider for some services (such as lab work). Check with your <u>provider</u> before you get services.

<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
