

WNB #2 – The Lady, or the Tiger?

Choice 1 - Writer an ending to “The Lady, or The Tiger.” The ending should begin with the moment the young man opens the door. It should include a detailed account of what happens next based on what happened in the past; that is, there should either be a tiger or a fabulous wedding. It should include the reaction of the princess and the reasons for the princess’s decision.

Choice 2- In “the Lady, or The Tiger,” the king has designed a justice system that entertains him. In this writer’s notebook, design your own justice system. Explain how and where guilt or innocence is decided. What crimes are brought to trial? How is it decided if someone is guilty or innocent.
