

## WNB #4- Strange Traditions

Choose a practice/tradition that we think is normal but that might seem very strange or even criminal from someone who is not from our society. (*Examples might include hazing in fraternities, ignoring homeless people on the streets, fat man in red suit squeezes down a chimney, death penalty, etc.*) Write a letter about this from the perspective of an outsider who is horrified and describing it to a friend from their country. (Dear....)
