2. Provide materials and training to help parents work with their children to improve their achievement, through literacy training and using technology, as appropriate, to foster parental involvement;
3. Educate teachers, pupil services personnel, principals, and other staff with the assistance of parents, in the value and utility of contributions by parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;
4. Coordinate and integrate, to the extent feasible and appropriate, parent involvement programs and activities that encourage and support parents in more fully participating in the education of their children;
5. Ensure that the information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand.
