

Dr. Maher

September 9, 2022

Welcome to kindergarten and to Overlook Primary School! My name is Dr. Maher, and I will be your kindergarten teacher this year. I think kindergarten is the absolute BEST!! I am very excited to share my love of learning with you. We will learn so many interesting things together at school! Our year as a learning community promises to be filled with much fun as we grow as readers, writers, mathematicians, and scientists. I am curious...what do YOU want to learn in kindergarten this year? I cannot wait to learn about your own interests and wonderings!

Your health and safety are a priority to me. To support this, you will use your own school supplies in the classroom. Please help the caregivers in your house make sure all supplies are clearly labeled with your first and last name. As becoming independent is one of our classroom goals, this will help you find your own supplies in our classroom community, too!

In addition to the kindergarten team school supply list you have recently received, we have two more items that are specific to our classroom (see below). Please bring all your supplies with you to school as soon as you have them. Please make sure your name is on EVERYTHING!!

Additional School Supplies for Classroom 6:

- *one box of quart sized zip lock baggies (in addition to the box requested by the grade level)*
- *one box of colored pencils*

I am looking forward to a fun year with you! See you soon...

Love,

Dr. Maher
