

Mrs. Way's First Grade Classroom

August, 2022

Dear First Grader,

I hope you are all enjoying your summer vacation. The weather has been perfect. I have been a busy bee.

We had a German exchange student staying with us this summer.

I took a cruise to Alaska this summer with Mr. Way and my son who graduated from college in May.

My daughter also got married in August.

Besides our trip and the wedding, I have been hard at work planning brand new things for us to learn and do this year in first grade. I am very excited about all the new things I have planned for you.

I can't wait to meet you soon.

But, until then, enjoy the rest of your summer.
Play, read, and enjoy being with your families.

See you soon.

Love,
Mrs. Way
