

Welcome to First Grade!

Hello First Grader!

I am so excited to be your first grade teacher! First grade is a year filled with many firsts and I look forward to supporting you to reach your goals and have a successful school year!

Let me tell you a little bit about me! I grew up in Pleasant Valley with my mom, dad and younger sister. I went to school at Marist College. This summer I spent a lot of time adventuring. I went on hikes, did a lot of traveling, and hung out by the pool. I also read a lot of books. It was a fun and relaxing summer! I have been writing down all my Small Moments over the summer to help me with our writing this year. This would be a good idea for you to do as well!

I know we are going to have a blast learning new things, making friends, and sharing time together this year. We'll be together before you know it!

Love,
Ms. Jaeb
