

Summer 2023

Dear New Second Graders and Families,

I hope you are enjoying the summer so far! My name is Mrs. Sanchez and I will be your teacher this year! Here are a few things to know about me: I have a 5 year old daughter Cassie and you will hear a LOT about her this year! I love the colors blue and green and I am a New York Mets fan. I love to read and to be outside exploring new places. You will probably hear lots of stories about my family and my adventures and I hope to hear about yours too!

The new school year will begin on September 6th. We will have a supplies drop-off date in September as well so you can bring in your supplies before school starts and take a peek of your new classroom (room 9). Messages will go out this summer about the exact date and time!

I can't wait to meet you and start a terrific year together! 😊  
Remember to bring a water bottle and healthy snack on that first day!  
In the meantime, keep reading and having fun!

Love,

Mrs. Sanchez 😊

## FOR PARENTS/GUARDIANS:

## Help Me Get to Know Your Child

Please tell me anything you feel I should know about your child that would help me get to know him/her and work most effectively with him/her this year. This can include anything from interests, favorite books/activities, friends, medical issues, pets, etc. You can put down anything you feel would help me out. You can send this to school with your child at any time. (Information will not be shared with anyone other than teachers working with your child if I feel it may help them to work with your child more effectively.) Thank you in advance for your help! - Mrs. Sanchez
